**Family Cabins and MORE!**

If you prefer an overnight experience with a roof over your head, the state parks offer quite an array of choices.

The seven state park inns and the family housekeeping cabins, are well known, but there are several less well known options.

At Lincoln and Shakamak state parks, the cabins in the group camp can be rented singly (like family cabins) if no group has

reserved them six months out. They are called Group Cottages.

At Turkey Run State Park there are three free-standing lodging options in addition to the inn and the inn sleeping cabins. The Roost is a two story home an easy walk from the inn and the Overlook and the Family Cabin are also close to the inn. At Pokagon State Park, the four new cabin suites are nestled between the inn and the toboggan run.
